Accessioning and Disposal

There have been 452 job numbers issued this fiscal year as compared to 262 for the same period last fiscal year. ✓

The Center received 10,000 lbs (approximately 300 cu ft) of OCI type records from overseas. These arrived at the Records Center Sunday evening. ✓

There is at present an accumulation of 1,032 cubic feet of records in the disposal area. ✓

Reference

The Center furnished 565 copies of NIS to foreign governments during the

Report for Week Ending 26 November 1958
from

1. Assignments - Active

25X1A9a

- (1) File Cleanup Campaign - Reviewed plans with [REDACTED] 25X1A9a
and together we discussed them with [REDACTED]

25X1A9a [REDACTED] We hope to have a meeting with ARO's before 25X1A9a
12 Dec.

- (2) Courier Receipt and Log Record, Form 240, and the New Agency Chain Envelope.

25X1A9a

[REDACTED] reported several types of misuses of these items. I am preparing a memorandum on these for distribution to registries.

25X1A9a

[REDACTED] and I met with ONE Registry personnel and offered solutions to their objections that: (1) The two additional copies of the receipt are superfluous and an impediment; (2) Form 240's are no longer bound in books; and (3) the prenumbering of Form 240's conflicts with their numbering system on courier and document receipts and in log books.

- (3) Unused and Seldom Used Safes. Collaborated with [REDACTED] 25X1A9a
on a memo to ARO's following up on results and opinions on the survey. [REDACTED] reported the release of two safes (one had been empty for some time) which were transferred to divisions where records volumes had increased.
